SUMMARY

Dedicated and enthusiastic Web Developer with a solid foundation in building dynamic and responsive web applications. 4 months of valuable experience in a professional IT company. Proficient in developing robust backend systems and crafting clean, maintainable code. Skilled in collaborating with diverse teams to deliver high-quality solutions on time and within budget. Adaptable to both remote and office environments, capable of working independently or as part of a team. Eager to leverage expertise to contribute effectively to your projects and initiatives.

PROFESSIONAL EXPERIENCE

Front End Developer

01/2024 - Present Surat, Gujarat

- As an intern in frontend development, I contributed to the development and enhancement of web applications using React.js, a leading JavaScript library for building user interfaces. During my internship, I gained valuable hands-on experience in front-end technologies and collaborated closely with senior developers to implement features and resolve technical challenges.

Full Stack Developer

Simba Institute 01/2023 - 01/2024 Suarat, Gujarat

- As a full-stack developer with a year of intensive training, I bring expertise in React.js for dynamic and responsive frontend development. While my backend knowledge is foundational, my passion lies in Node.js, driving my commitment to continually deepen my backend skills. With a keen eye for user experience and a dedication to crafting efficient and scalable solutions, I thrive in collaborative environments where I can contribute to building robust web applications that seamlessly integrate frontend and backend functionalities.
